Subject: Offer Letter – AI Developer Intern, Summer of AI 2025

Dear Anjali Biyyala,
Greetings from VISWAM.AI!

We are delighted to offer you the position of AI Developer Intern as part of the prestigious Summer of AI 2025 (SoAI) internship program, organized by Viswam.AI.

This volunteer internship is designed to foster innovation and collaborative development. You will be working alongside a passionate cohort to learn and help advance AI systems.

Internship Details:

- **Role:** AI Developer Intern
- **Duration:** 4 weeks (Planned internship breaks allowed for exams/emergencies.)
- **Mode:** Hybrid (in-person + remaining remote work)
- **Start Date:** 25th May 2025

As an AI Developer Intern, you will:

- Gain mastery in Python, Collaborative Software Development, and DevOps
- Build a solid foundation in AI concepts that empowers your journey towards advanced AI engineering roles.
- Get hands-on experience by locally procuring data and fine-tuning your own AI model with a dedicated team
- Transform your finetuned models into real-world AI applications and elevate your resume with practical and impactful projects
- Showcase your skills and emerge as a prominent contributor in dynamic, free and open source community

VISWAM.AI's **Summer of AI 2025** program is a collaborative effort by Swecha, IIIT Hyderabad, Meta (formerly Facebook), TASK (Telangana Academy for Skill and Knowledge), and HYSEA (Hyderabad Software Enterprises Association). A certificate will be issued on successful completion of the internship.
